

martex | CLASSIC

Great things take time—and the Martex® Classic Sheet Collection is no exception. Developed with precision and purpose, this collection represents a perfect union of affordability, durability, and comfort, making it the ideal choice for high-traffic environments such as hotels, hospitals, dormitories, and military housing.

Though categorized as an economy option, the Martex® Classic Sheet Collection delivers a surprisingly soft, luxurious feel that rivals much higher thread count linens. Meticulously lab-tested for quality and performance, these sheets are engineered to withstand the rigors of frequent commercial laundering while maintaining their comfort and structure.

Trade Agreements Act (TAA) compliant making it eligible for sale to the U.S. government.
