martex | Atelier LUXE

Crafted for ultimate luxury, the Martex® Atelier Luxe Blanket is designed to offer both comfort and style. Made from a blend of 70% cotton and 30% TENCEL™ Modal fibers, this blanket provides a silky-smooth feel that is gentle on the skin, while also offering temperature-regulating properties. TENCEL™ is known for its breathability and moisture-wicking abilities, keeping guests cool in warm weather and cozy during chilly evenings.

In addition to its luxurious softness, TENCEL™ is an eco-friendly option, offering durability that resists pilling and shrinkage over time. Weighing in at 280 GSM, the blanket has a refined herringbone weave design, adding a touch of elegance to any guest space.

With the Martex® Atelier Luxe Blanket, elevate your guest experience with one simple change. It's the perfect combination of luxury, durability, and eco-conscious design, ensuring your guests enjoy the best in comfort and style.

Trade Agreements Act (TAA) compliant making it eligible for sale to the U.S. government.
