

martex® *Ultra Touch*

The Martex® Ultra Touch Robe is the perfect solution for properties seeking a premium, durable robe that meets the high demands of the hospitality industry. Traditional robes often suffer from snagging fibers and pulled threads, primarily caused by ring prongs and dryers—but the Martex® Ultra Touch robe eliminates those concerns with LOOPLock™ technology, designed to provide a snag-free experience while maintaining luxurious comfort.

Made with ring-spun cotton loops, this robe offers exceptional softness and a plush feel, enhancing your guests' experience. Available in two sizes (S/M and L/XL), it's designed with all the thoughtful details that make it stand out: a shawl collar, longer sleeves that can be cuffed or unrolled, two front pockets for convenience, and a removable belt for ease of use.

For added convenience, we also offer belt replacements, ensuring that your robes stay in perfect condition for your guests. With the Martex® Ultra Touch Robe, you'll give your guests the comfort they expect, with a solution that lasts and stands up to the rigors of the hospitality industry.
